

The Late Republic

*Intrigue! Assassination!! Back-Stabbing!!!
It's All Here!*

But how did this all start?? Let's go back to 133 BC and a Tribune named...
Tiberius Sempronius Gracchus
Who was he?

What did he do?

What happened to him?

Why?

So, what is the big deal? How were these events and Gracchus significant?

What was the end result of this episode?

It's a Family Affair!

Gaius Gracchus

What did Gaius concentrate on?

How did he do it?

What happened to him?

What was significant about this episode?

After this period, what was the one really big problem and why?

Gaius Marius

How did he solve Rome's problem?

Who was he?

Jugurthan War (111-105 BC)

Celtic (Gallic) Invasion (109-101 BC)

What was the problem with the practice of enlisting the *capite censi*?
